### Get Answers to Your Questions:

- Are we ready for Imaging?
- Can my Processors use it?
- Do I need much I.T. Support?
- Can we afford it?
- Will it work with our financial system?

### Receive a 200 Percent Payback:

- Improve customer service
- Reduce processing costs
- Decrease manual effort
- Increase accuracy
- Improve timeliness
- Eliminate misplaced or lost paper
- Reduce storage space
- Increase productivity
- Improve approval processing time
- Capture discounts & eliminate late fees
- Eliminate duplicate bills & overpayments
- Enhanced electronic audit trails

### AP Seminar Attendees Say:

"Attending Feith's AP seminar provided my team the opportunity to speak with other AP Professionals and gain invaluable insight into the Imaging & Workflow process... Don't miss out on this great opportunity!"

– *Asplundh Tree Experts Co.*

"...Feith's AP Imaging Seminar was very informative. I highly recommend it..."

– *ENDO Pharmaceuticals*

"It was a truly beneficial learning experience...it was good hearing other AP Directors describe how they automated their AP processes...we really enjoyed Feith's AP Imaging Seminar."

– *Thomas Jefferson University Hospital*

"I didn't realize you could get payback in less than 2 years."

– *AMSEC*

"It was nice to talk with other AP Managers who had the same concerns as I did."

– *Temple University*

"I liked hearing other AP Managers describe how easy it was to integrate imaging to their accounting systems... Their Processors picked it up quickly..."

– *Happy Harry's*

"I am so glad I attended the free seminar. I learned a great deal in a short time...it gave me the ammunition to go back to my Controller to get approval..."

– *Tyco Fire*

### Feith AP Customers Say:

"The savings that we received on storage and retrieval of our paper documents alone paid for our system."

– *Comcast Cable*

"Our experience with Feith and our imaging implementation was the smoothest in my 15 years in I.T."

– *Williams Scotsman*

"The first week, my 11 Processors didn't want to let go of the paper...today, they'd kill me if I took away Feith."

– *Toll Brothers*

"My Processors love Feith's "Show Me The Paper" from within JDE...It's great not to have to look for misplaced documents."

– *WoltersKluwer Health*

"14 sites, 14 different systems...we were up and running, with workflow, in less than three months on all 14 sites... saved \$200,000 in the 1st year in AP alone."

– *ABB, Inc.*

"Integration to PeopleSoft was key...we love that Feith is local."

– *AmeriGas*
